CHARLESTOWN

NEW HAMPSHIRE

FOR THE YEAR ENDED DECEMBER 31

1945

Report of Committee to Investigate Need of New School Building and Recommendations

The committee finds, in its study of the school problem of Charlestown, that the present building capacity is far over-taxed. In the past ten years there has been a gradual increase in the number of pupils of elementary and high school age. In the year 1934-35 the high school enrollment was 78; and in 1944-45 the high school enrollment was 102. The elementary enrollment in 1934-35 was 267; and in 1944-45 the elementary enrollment was 316. The total enrollment for 1944-45 was 418. This includes the school at North Charlestown.

There is at present a small school building which holds the first and second grades. The third grade is quartered in the Odd Fellows building which is very unsatisfactory as the lighting and heating conditions are poor and the pupils have to go over to the small school building for toilet facilities.

The large school building, which cares for the fourth, fifth, sixth, seventh and eighth grades; and four years of high school, is also over-crowded, with five grades crowded into four rooms, shops and laboratories in the basement not approved by the State Board, and an insufficient number of classrooms for a high school. The N. H. State Board of Education recommends that there be not more than thirty pupils to a room, but they will allow forty if the room is large enough.

The increase of pupils in the school in the past few years is but keeping pace with the increased population of Charlestown; and also the increase in valuation of Charlestown which was \$1,862,505 in 1935, and was \$2,230,035 in 1945. The number of voters in 1935 was 863, and 1945 was 1049, which shows that the town has been steadily growing.

At the present time the staff of teachers in our schools seems to be very capable and is doing a fine job with the facilities at hand.

Some members of this committee visited the school buildings situated in Sunapee, New London and Alstead, to gain further insight as to a building that would fit the needs of a town like Charlestown. Of these three buildings visited, the New London school building seemed to fit this town the best. A building such as this one, if it was built for Charlestown high school and junior high school, would adequately take care of crowded conditions; and would leave the present large school building for the use of the elementary and primary grades, thus eliminating the use of the small building and the Odd Fellows building. These last two named cost a minimum of two thousand dollars a year to maintain.

This committee recommends that:

1. An amount of \$10,000 be set aside this year.
2. A committee, including the School Board, Superintendent of Schools and three other members appointed by the School Board, be authorized to purchase land for the erection of a new school building.
3. The committee have plans drawn for a new building suitable for the site obtained and adequate to house the high school and junior high school of Charlestown for at least fifteen years (based on past ten year period, which would be about 228 students by that time).
4. The School Board be authorized to call a special meeting of the voters to approve the plans and vote on the financing of the project.

Town Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Charlestown on Tuesday the twelfth (12th.) day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

Art. 1. To choose the necessary Town Officers for their respective terms.

Art. 2. To consider the Budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, street lighting, and for the necessary charges arising within the town.

Art. 3. To see if the town will vote to allow the selectmen to deliver the inventory blanks at the time of taking inventory.

Art. 4. To see if the town will vote to authorize the selectmen to borrow on notes on the credit of the town, such sums of money as may be necessary to meet current expenses in anticipation of taxes.

Art. 5. To see what action the town will take in respect to appointing a finance committee for the ensuing year.

Art. 6. To see if the town will vote to accept all trust funds received for the perpetual care of lots in the cemeteries.

Art. 7. To see if the town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

Art. 8. To see if the town will vote to raise and appropriate the sum of \$777.41 for Town road aid, the State will contribute \$3,109.64; this money provides for the maintenance, construction, or reconstruction of class V highways.

Art. 9. To see if the town will vote to have the fire station heated from the heating plant in the town hall, and raise and appropriate money for this purpose.

Art. 10. To see if the town will vote to raise and appropriate a sum not exceeding one one hundredth of one percent (1-100 of 1%) of the assessed valuation based on the assessment of 1946 for the purpose of publicizing and promoting the natural advantages and resources of the town, together with other towns in the Dartmouth-Lake Sunapee Region. (inserted by request).

Art. 11. To see if the town will vote to raise and appropriate the sum of \$400.00 for white pine blister rust control. (inserted by request).

Art. 12. To see if the town will vote to raise and appropriate the sum of \$600.00 to purchase 100 new seats, to replace the old seats in the upper town hall, old seats to be used in lower hall. (inserted by request).

Art. 13. To see if the town will vote to raise and appropriate the sum of \$300.00 to purchase chairs for the lower town hall. (inserted by request).

Art. 14.. To see if the town will vote to raise and appropriate the sum of \$175.00 to purchase dishes for the lower town hall. (inserted by request).

Art. 15. To see if the town will vote to purchase 1000 feet of snow fence to be used on the Borough road so called, and raise and appropriate money for this purpose. (inserted by request).

Art. 16. To see if the town will vote to raise and appropriate the sum of \$650.00 for the purpose of insulating the attic in the town hall; the balance of this amount to be used to repair a few of the windows in the hall. (inserted by request).

Art. 17. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to install sewer lines on the westerly side of the electric railroad track on the Springfield road near Cheshire bridge to accommodate the residents from Norman avenue to Cheshire bridge. (inserted by request).

Art. 18. To see if the town will vote to raise and appropriate the sum of \$10,000.00 as the start of a Capital Reserve Fund for a new school building. (inserted by request).

Art. 19. To see if the town will vote to raise and appropriate the sum of \$1,000.00 to start the drainage project on Cummings avenue. (inserted by request).

Art. 20. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-third (23rd.) day of February, in the year of our Lord, 1946.

WALTER B. WOOD,
RALPH K. WEEKS,
ORBORNE W. STEVENS,

Selectmen of Charlestown.

Health Officer's Report

During the past year we have had a few cases of measles, chicken-pox and mumps as well as three cases of scarlet fever. The scarlet fever cases were quarantined as required with the result that there was no spread of the disease.

As usual, samples of water from both the local and North Charlestown supplies have been sent to the State Board of Health for analysis. The reports have been along the same line as during the past two years.

Milk samples from local producers have been submitted to the State laboratory whenever asked for and the quality has been satisfactory in all cases.

Respectfully submitted,

LOUIS L. COMSTOCK, Health Officer

AUDITORS' REPORT

We, the undersigned Auditors of the Town of Charlestown, have examined the accounts as set forth in the accompanying schedules of the Selectmen, Town Treasurer, Treasurer of the Silsby Free Public Library, Water Commissioners, Town Clerk, Tax Collector, and Trustees of Trust Funds, and other Town Officers, and find them correct.

GERTRUDE WHITE

Report of Librarian

The adult circulation has been very good this year, although it is somewhat lower than last year.

The juvenile circulation has been poor for the last few years.

We have tried to make reading more appealing by building up their library with the many interesting books that are written especially for them. Perhaps it might help to get the children more interested in reading if the parents would encourage them to visit the library often.

As the lighting system was very inadequate at the library, we have had all new fluorescent lights installed. This has been a big improvement.

We have received books as gifts from the following people; Ezra Ball, Louis Comstock, Holden Bickford, Herbert Cushing, Jordan Ferrill, Mrs. Copley Amory, and Miss Helen Hubbard.

Richard Perry Jr. presented to the library, in loving memory of the late Archibald Holton Sayce, the book "Up Front" by Bill Mauldin.

All books given to the library are greatly appreciated.

ALICE JENNINGS, Librarian

SUPERINTENDENT'S REPORT

November 26, 1945

To the School Board of Charlestown;

I herewith submit my annual report for the sixteenth year as your Superintendent of Schools.

Charlestown has fourteen full time teachers and two part time teachers this year. We have no inexperienced teachers and each is doing excellent work with large classes.

Headmaster Lee W. Thomas	History and science
Miss Alice Palmer	English, geometry and vocal music
Mrs. Grace S. Kerr	Commercial
Miss Elizabeth Williams	English and mathematics
Mrs. Florence Bingham	Biology and home economics
Miss Lulla Adams	Latin, French and history
Mr. Frank Bush	Inst. music
Mrs. Viola Horton	Seventh and eighth grades
Mrs. Olive Whitney	Sixth and eighth grades
Mrs. Carl Buswell	Fifth grade
Mrs. Dora Sherwin	Fourth grade
Miss Regis Massucco	Third grade
Mrs. Jean Philbrick	Second grade
Miss Elizabeth Morin	First grade
Mrs. Jane Dahms	Lower grades, Farwell
Miss Carrie B. Huntley	Upper grades, Farwell

Boys' basketball will be coached by Richard Streeter and girls' basketball by Mrs. Rita Little.

I believe it will be good at this time to review some of the history of our striving for good school rooms for our schools. In 1930, we had only four regular class rooms in the High School building, two of which were used by the grades. To correct that condition an addition of four large rooms was added, and many changes and new fixtures

were added to the old part. The cost was \$15,539.14. The new rooms were soon filled. Rent, if rents could have been found would have soon eaten up that sum.

In the 1941 report I went into details about the crowded conditions that seemed sure to arise within a few years. At that time we had a chance to have built a good school building and equip it for an estimated cost of \$35,000.00, but the voters were not interested and voted down all attempts to prepare for the crisis that is near us today. It is true that we have had committees, but no real interest has been manifested until this year.

We now face a serious predicament. We cannot by law give up our elementary schools, nor can we give up an established high school without a permit from Superior Court. The State can condemn a building and make a district find new rooms for a school, but I doubt if there is any way to disband a high school without the special permit from the courts. I also doubt if court would give such a permit as long as any number of citizens objected. For example, the State does not allow classes, except certain laboratory classes, to be held in a basement room. Last year, we had to use the basement for several classes and the high school certification was conditioned thereby, but this year we are able to re-arrange the work so that the basement is not used for general class work, and it is now certified without conditions.

We are hiring one room and would have hired two if another could have been found that was available and would meet state standards. Twenty-five pupils in a mixed grade are enough pupils for any room or any teacher, certainly forty-five are far too many. In larger places opportunity rooms are established where children that have lost time through sickness, pupils new to the system, and other children who are out of adjustment with the regular grade work, are helped in small classes. In such con-

ditions the children who are regular in each grade can be taught in large rooms from thirty-five to forty pupils in each. The school buildings at the village have just ten regular school rooms, eight at the High School building and two at the Primary building. These would be ideal to have one for each of the eight grades, one for an opportunity room, and one for a general room for the preparing of meals, etc.

Respectfully submitted,

WALTER L. MASON

Superintendent of Schools

WALTER L. MASON

Our little community was deeply saddened January 16, 1946, when our beloved superintendent, Walter L. Mason, was called to his heavenly home. Throughout his sixteen years with us, he had endeared himself to all. His warm, friendly smile and cheery greeting will be missed by young and old alike.

No matter how absorbed in his own troubles, Mr. Mason was always ready to give a friendly word and a bit of reassuring advice to his fellow citizens.

His face has passed from amongst us
But always his presence seems near,
Let us think of him peaceful and happy
And not mourn in despair at our loss;
For the river between us is narrow
That we all must sometime cross.

Let's not grieve too much at his passing,
He has gone to a far better land;
And though we will miss his presence amongst us
His virtues will live to the end;
And in our book of Memory,
We'll write the simple word — FRIEND.

Lee West Warren, Jr.
(President of Senior Class)
January 22, 1946

With the passing of Walter L. Mason, our Superintendent of Schools for the past sixteen years, officials, teachers and children of Charlestown have lost a tireless worker and true friend. With all his brilliance of mind and extensive knowledge of all pertaining to humanity, his outstanding characteristics were kindness and tolerance.

If all who have experienced these virtues of Mr. Mason will carry them over into their own lives, no more fitting memorial would be asked by our former beloved Superintendent.

Charlestown School Board

SCHOOL NURSE'S REPORT

January 1945 to January 1946

Number of school visits	247
Number of home visits	94
Number of pupils inspected	290

Defects found	No. of Cases		No. Defects corrected	
Cardiac disturbance.	2			
Faulty nutrition	30	4 obese	10	20 improved
Vision	14		8	
Nervous habits	29		6	9 improved
Skin diseases	6		6	
Teeth	91		111	91 at clinic
Tonsils	18		6	
Poor posture	30		5	7 improved
Speech	4		0	
Slow mentality	4			
Unvaccinated	3		2	

Cases of communicable diseases

Pediculosis	8
Chicken pox	6
Measles	2
Throat infection	11
